

Dear LPA Middle School Concert Band Patron,

In March 2017, the Lincoln Park Academy Middle School Concert Band will be participating in a 3-day performance competition in Orlando, FL. We will be performing for a variety of adjudicators who will assess our band in several categories. The adjudication panel will offer valuable critique of our ensembles and the experience will be highly rewarding for our students in the band program.

Each of our 50 participating students will be raising \$500.00. We would like to offer you the opportunity to invest in one of our students with a donation of your choice. Please consider supporting the Lincoln Park Academy Middle School Concert Band as we represent our community. In the space provided below, please identify the student you wish to sponsor, or you may list "Lincoln Park Academy Concert Band" if you wish to donate to the entire ensemble. We will be departing Lincoln Park Academy on Thursday morning, March 23rd, and will return the evening of Saturday, March 25th. Your gift will make this trip possible for your student.

As a donor for the Lincoln Park Academy Concert Band, you will have the opportunity to be listed in the program at our concert series along with a digital advertisement before, during and after the performance. Please send, along with your donation, a business card or logo of your choice to be displayed at the Performing Arts Building at Lincoln Park Academy.

You may send your gift directly to this student. Please make checks payable to Lincoln Park Academy and put the student's name on the memo line. The donation will be credited 75% toward this student's trip account. 25% of the donation will be used to support the Lincoln Park Academy Concert Band in sponsorship of additional students. Thank you for your interest in our student and our program. Your generosity is appreciated and your investment in this educational experience will help create a life-long memory for this student.

Thank you,

A handwritten signature in black ink that reads "Matthew J. Karram".

Matthew J. Karram
Director of Middle School Bands
Lincoln Park Academy

Please send this letter along with the donation and logo/business card to:
