

Dear LPA Wind Symphony Patron,

In March 2016, the Lincoln Park Academy Wind Symphony will be participating in a 6-day performance competition and tour of New York City. We will be performing for a variety of adjudicators who will assess our Wind Ensemble, Symphonic Band, Jazz Ensemble, Percussion Ensemble and Steel Drum Ensemble. The adjudication panel will offer valuable critique of our ensembles and the experience will be highly rewarding for our students in the band program.

Each of our 100 participating students will be raising \$1,100.00. We would like to offer you the opportunity to invest in one of our students with a donation of your choice. Please consider supporting the Lincoln Park Academy Wind Symphony as we represent our community. In the space provided below, please identify the student you wish to sponsor, or you may list "Lincoln Park Academy Wind Symphony" if you wish to donate to the entire ensemble. We will be departing Lincoln Park Academy on Tuesday, March 15th and will return March 20th. Your gift will make this trip possible for your student.

As a donor for the Lincoln Park Academy Wind Symphony, you will have the opportunity to be listed in the program at our concert series along with a digital advertisement before, during and after the performance. Please send along with your donation a business card or logo of your choice to be displayed at the Performing Arts Building at Lincoln Park Academy.

You may send your gift directly to this student. Please make checks payable to Lincoln Park Academy and put the student's name on the memo line. 100% of the donation will be credited towards your student's trip account. Thank you for your interest in our student and our program. Your generosity is appreciated and your investment in this educational experience will help create a life-long memory for this student.

Thank you,

A handwritten signature in black ink that reads "Jason Albert".

Jason Albert,
Director of Bands
Lincoln Park Academy

Please send this letter along with the donation and logo/business card to:
